OFF-LEASH DOG AREAS

The Town of Golden works with residents to make sure pets, their owners and neighbours are safe and can enjoy Golden and all it has to offer.

- **Unless you are in a designated off-leash area, including parks with seasonal restrictions, dogs must be on leash in the community at all times.**
- There are 5 designated off-leash areas and 2 off-leash trail areas.
- In off-leash areas, owners are expected to use effective hand/voice control, and respect other dogs and owners. **If your dog doesn't have recall, it shouldn't be off leash.**
- Keith King Memorial Park/Ball Diamonds Seasonal On-Leash Regulations:
 - April 1 – Sept. 30: **No dogs allowed on sports fields.** Dogs are only allowed on the sidelines and on leash.
 - Oct. 1 – March 31: Dogs permitted on leash.
